Carrier Ballot: You must complete this section for Long Distance Service

InterLATA: IntraLATA:

INTER LATA calls are those calls which are placed to areas outside of the NorthWest LATA of Wisconsin. INTRA LATA calls are made to areas within the NorthWest LATA of Wisconsin (basically the western half of the 715 area code).

Additional carriers are available - Contact us if your carrier of choice is not listed here. You may have to call the carrier you choose to establish service, or to get a calling card, or to enroll in a calling plan.
